Metro News is proud to showcase the following achievements.

In Mastery, a dedication to personal excellence

Kim Gosse, Accounts Receivable Supervisor

Kim helped me clean up one of my accounts that she just so happened to field a call about.
Thanks Kim!

Valerie Walmsley, Magazine Buyer

In regards to New Title Authorizations, Comag has picked up "Rachael Ray". In our meeting with the Publisher we discussed missing (Macs Milk and Pharma Plus) chain approvals. Val has notified me that both of these chains are now authorized.
Thank You Val!
