Metro News is proud to showcase the following achievements.

In Mastery, a dedication to personal excellence

Naila Ramdewar, Customer Care Rep

I would like to recognize Naila Ramdewar under the Mastery section because she is a skilled and phenomenal rep. It's always a pleasure dealing with Naila. She has such a great work ethic. Have you ever seen this girl's fingers go on the key board; she is fast and accurate at whatever she sets out to do. I particularly want to compliment Naila today on her fantastic follow and feedback skills. Whenever I've asked her for something, she gets back within hours, if not minutes, if she can. Never have to worry when you leave matters in Naila's hands. She will tackle any new task or venture that comes her way with skill. What an amazing customer care rep. Keep up the great work Naila!!!!

In Chemistry, a dedication to teamwork

Shantal Hingoo, Book Coordinator

I would like to recognize Shantal under the Chemistry section. Shantal is a team player and is a pleasure to work with. She has been a big help with getting our core titles for both Media Logix and Metro up to 99% in stock. She has adapted nicely to her new position and has developed a great relationship with our publishers, and exhibits professionalism with all. Thanks very much Shantal. You're the best!!!

Bruce Prockter, Sales Manager Media Logix

I would like to recognize Bruce under the chemistry category. It has been a pleasure to work with Bruce over the past 5 months, while I learned the Media Logix ropes in my new position. During this time, I have had the opportunity to be involved with him and several of our Media Logix clients, and I would like to compliment Bruce for having built great personable and professional relationships with them. Thanks very much Bruce for all your support and wisdom!!!
