Metro News is proud to showcase the following achievements.

In Mastery, a dedication to personal excellence

Steve Adams, Regional Account Manager

Let's all recognize Steve Adams for his excellence and success with the Giant Tiger chain. It was Steve's vast knowledge of the category and the specific chain needs that were key reasons why the past Giant Tiger trade show was a success. I'm certain I can speak for the team that Steve's efforts and mastery in the category are truly admirable.
Great work Steve!!!!
