Stacey Lee, Customer Service Rep

I would like to nominate Stacey Lee for the extraordinary job she has done on the summer accounts. This summer season, Stacey has been an instrumental player in the smooth and successful execution of our summer business. Stacey was committed to making sure that all summer accounts got their orders and she communicated each account's need to the appropriate department in a rapid manner; this was all being done over-and-above her regular job responsibilities. Thanks very much Stacey for your great accomplishments with the summer business.

In Chemistry, a dedication to teamwork

Jim Schnarr, Regional Sales Rep

Jim Schnarr is an absolute pleasure to work with. He treats his colleagues with sincerity and respect and he consistently approaches his job with perseverance, humour and resilience. Too often, individuals forget that the success that they achieve has been made possible through the help and support of the people they work with. Jim is a generous person who shares his success with his team and never forgets to show appreciation for the people he works with. He is truly a class act!
